Database Topic
Online Education

Mission Statement
The purpose of the database is to maintain the data used to generate and support student course enrollment. It will be used by administrative staff only and will not duplicate information from the tuition information database.

Mission Objectives
● To maintain (enter, update, and delete) data on students.
● To maintain (enter, update, and delete) data on students' addresses.
● To maintain (enter, update, and delete) data on courses.
● To maintain (enter, update, and delete) data on departments.
● To maintain (enter, update, and delete) data on terms.
● To maintain (enter, update, and delete) data on course completion times.
● To maintain (enter, update, and delete) data on instructors.
● To maintain (enter, update, and delete) data on classrooms.
● To maintain (enter, update, and delete) data on course completion by students.
● To maintain (enter, update, and delete) data on achievements available.
● To maintain (enter, update, and delete) data on students' achievements.

● To perform searches on students.
● To perform searches on students' addresses.
● To perform searches on courses.
● To perform searches on departments.
● To perform searches on terms.
● To perform searches on course completion times.
● To perform searches on instructors.
● To perform searches on classrooms.
● To perform searches on course completion by students.
● To perform searches on achievements available.
● To perform searches on students' achievements.

● To track the status of course completion by students.

- To track the status of time to complete courses.
- To track the status of number of courses per student.
- To track student enrollment numbers per course.

- To report on students.
- To report on students' addresses.
- To report on courses.
- To report on departments.
- To report on terms.
- To report on course completion times.
- To report on instructors.
- To report on classrooms.
- To report on course completion by students.
- To report on achievements available.
- To report on students' achievements.
